WHERE DOES THE INNOVATION SHOWCASE TAKE PLACE?

The showcase takes place at our flagship event, the 8th annual, **Animal Health, Nutrition and Technology Innovation Europe Summit** taking place on 6-8 October 2023. This event is the sector's premier Innovation Summit showcasing the most exciting investment opportunities globally and connecting businesses with investors and strategic corporate partners.

Animal Health, Nutrition and Technology Innovation Europe continues to be the sector's premier innovation summit, showing the latest innovations, and connecting emerging companies with investors or strategic partners. Our mission is to engage all key participants in the value chain so we can address the full scope of how animal health impacts pet owners, veterinarians, and farmers today.

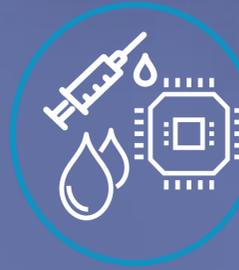

We will be running 2 separate innovation showcases in production animal and companion animal with start-ups presenting innovations in health, nutrition, and technology.
